ChatBot: Hello! Type 'bye' to exit.
You: Hi
ChatBot: Hello! How can I help you?
You: how are you
ChatBot: I'm just a chatbot, but I'm doing great! How about you?
You: what is your name
ChatBot: I am ChatBot, your virtual assistant.
You: What more can you do for me?
ChatBot: I don't understand that. Try asking something else!
You: bye
ChatBot: Goodbye! Have a nice day!
